

Prevention Experience Documentation

Make as many photocopies of this form as needed (i.e., for each employment or volunteer experience AND different position). You must submit a minimum of 2,000 Prevention Experience Hours (documented hours of paid or volunteer experience) to be eligible for the Certified Prevention Professional Credential. A minimum of 50% of these hours (i.e., at least 1,000 hours) must be alcohol, tobacco and other drug (ATOD) prevention-specific experience. The balance may be other types of general behavioral health prevention, such as suicide prevention, HIV prevention and bullying prevention. Review the Prevention Core Competencies before estimating hours accrued in each of the six domains.
